**SUBJECT: 2023 - 2024 NATIONAL YOUTH PROGRAM**

We have always believed that the National Youth Program administered by the Veterans 3rd Vice Commander and Auxiliary 3rd Vice President is one of the most important programs for our organization. If our 3rd Vice Officers capture and retain the interest of our youth, they will treasure the memories of their participation with our organization and may join or support us in the future.

1 Timothy 4:12 teaches, “Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity.” I believe our Program provides our youth with the mechanism to accomplish those goals.

The 3rd Vice Commander and 3rd Vice President are responsible for organizing and planning youth welfare and youth activities. Youth Activity Contests, scholarship applications, school or civic athletic team sponsorship, and support of non-profit local youth organizations are a few examples. We can also help them channel their energies into constructive pursuits and away from the negative temptations and distractions in their environments. We must encourage our youth to take every opportunity to display patriotism and honor service to our country. Our goal is to keep young minds busy. A well engaged mind may be the one link which will help them say “NO” to drugs and alcohol, and other temptations in a society that has lost its way.

When an Auxiliary Unit is affiliated to a Post, the National Youth Committee recommends that the 3rd Vice Commander and Auxiliary 3rd Vice President coordinate their Youth Program activities and involve as many individuals as possible. The Youth Activity Contests program requires a considerable amount of time and effort. Ensure that you set your Post and Auxiliary deadline dates early enough to facilitate participation, submission of contest entries, contest judging at the Post / Auxiliary echelon, and subsequent submission of winners and judging at the Department level.

- **The published deadline date is when winning entries must be at National Headquarters.**
- **Late entries will not be judged.**

## **Youth Activity Contest Winners**

1. Each Post and Auxiliary Unit should determine their winners (1st, 2nd and 3rd place). These winners are then forwarded to their Department echelon for judging. Posts and Auxiliary units not under a Department should pick one (1) winner and forward it directly to National Headquarters via email.
2. The Department echelon will judge contest winners (1st, 2nd and 3rd place).
3. The Department will then forward three (3) winners to National Headquarters for judging. When a state has a Department echelon for both the Veterans and the Auxiliary, National HQ will only accept three (3) entries regardless of whether the entry was sponsored a by a Post or an Auxiliary Unit.
4. All entries to the National echelon should be scanned digitally into a PDF or JPEG file and sent as an attachment in the email. Please do not embed digital images into the text of the email.
