SUBJECT: 2023-2024 National Second Vice President Program

Increasing membership will be the goal of the Second Vice President's Program for 2023-2024. Please keep in mind that there are numerous opportunities that any person can utilize to recruit a new auxiliary member. Remind your members to always carry a membership application with them as a personal testimony is our best way to promote our mission and accomplishments. Encourage your members to renew their membership early so that your Unit can be awarded a National Citation for achieving 100% membership as of December 31, 2023.

We will continue the new member incentive program (Unit-level only). For every five (5) new members recruited, a \$10.00 check will be issued to the individual who signs up the five new members. The Department Second Vice President should encourage the Unit Second Vice President to set up a membership program.

AWARDS

The Unit with the largest numerical increase of new members will receive a \$25 check and a National Citation. The Unit with the second largest numerical increase of new members will receive a \$10 check and a National Citation. The Unit selected to have the Best Membership Program will receive a \$25 check and a National Citation. Please submit on a separate sheet of paper all the events accomplished in achieving this program goal.

The Department Second Vice President who develops the "Most Productive Membership Program" and reports activities on a separate sheet of paper with his/her Convention report will be awarded a \$10 check and a National Citation.

REPORTS ARE DUE BY JUNE 30, 2024

!!Good Luck with recruiting those new members!!
